

## **PRIVACY POLICY**

E-Biotorium Network Pvt. Ltd. respects your personal details which may be recorded by us throughout your use of the present website and protects the same from data theft.

We take extensive precaution and care of the personal details provided by you during your access to our website and we prevent the same from destruction, loss, unauthorized distribution, use, access, disablement, misappropriation or modification, or other compromise or misuse of or relating to any information technology system or Data used in connection with the operation of the Company's businesses for which we have created a firewall to prevent any third party and/or any unauthorized individual to access our data base.

The present policy describes method of how we process the data submitted by you when you visit/access this website and protects and prevents your data from accessing the same through any third party except the authorized personnel of E-Biotorium Network Pvt. Ltd.

### **OVERVIEW**

We commit to respecting your online privacy data. We further recognize your need for appropriate protection and management of any personally identifiable information ("**Personal Information**") you share with us. Information that is considered personal about you by us includes, but is not limited to, your name, address, email address, phone number or other contact information.

We reserve the right to change the Terms and Privacy Policy from time to time as we deem fit, without any intimation to you, and your continued use of the site will signify your acceptance of any amendment to these terms.

You are therefore advised to re-read the Privacy Policy on a regular basis. Should it be that you do not accept any of the modifications or amendments to the Terms, you may terminate your use of this Site immediately.

### **1. INFORMATION COLLECTION AND USE**

E-Biotorium Network Pvt. Ltd. respects your personal details which may be recorded by us throughout your use of the present website and protects the same from data theft. We take extensive precautions and care of the personal details provided by you during your access to our website and we prevent the same from destruction, loss, unauthorized distribution, use, access, disablement, misappropriation or modification, or other compromise or misuse of or relating

to any information technology system or Data used in connection with the operation of the Company's businesses for which we have created a firewall to prevent any third party and/or any unauthorized individual to access our data base.

We also collect and store personal information provided by you from time to time on the Site. We only collect and use such information from you that we consider necessary for achieving a seamless, efficient and safe experience, customized to your needs including:

- To enable the provision of services opted for by you.
- To communicate necessary account and service related information from time to time.
- To allow you to receive quality customer care services.
- To undertake necessary fraud and money laundering prevention checks, and comply with the highest security standards.
- To comply with applicable laws, rules and regulations; and
- To provide you with information and offers on services, on updates, on promotions, on related, affiliated or associated service providers and partners that we believe would be of interest to you.

We treat data as an asset that must be protected against loss and unauthorized access. We employ many different security techniques to protect such data from unauthorized access by members inside and outside the company. Users are recommended to do so offline, on the phone or via personal emails. We follow generally accepted industry standards to protect the personal information submitted to us, both during transmission and once We receive it. However, "perfect security" does not exist on the Internet. You therefore agree that any security breaches beyond the control of our standard security procedures are at your sole risk and discretion.

## **2. COOKIES AND OTHER SIMILAR TECHNOLOGIES.**

We use cookies (a small file containing a string of characters that uniquely identifies your Web browser), Web beacons (an electronic file placed within a Web site that monitors usage), pixels, and similar technologies to operate and improve our website and Services, including for ease of access as described below. *For the purpose for this clause “Cookies” shall mean “a small piece of information that a website sends to your hard drive while you are visiting the website. A Cookie file can contain information such as user ID that the website uses to track the pages you have visited.”*

Some of our Service Providers (defined below) may also use such technologies in connection with the services they perform on our behalf. Cookies enable us to provide you with similar pages and/or products to enhance your user experience on our website. Once we have received your information, we use appropriate security measures to protect your data against loss, theft and unauthorized use, access or modification; although we do our best to protect your personal information, we cannot guarantee the security of your information transmitted through internet and/or email, any transmission is at your own risk.

Cookies store the amount of information which is provided by you while accessing the website and no additional data is stored therein, cookies are not linked to your personally identifiable information, you may block such cookies using tools provided in the web browser.

## **3. TYPES OF DATA COLLECTED**

We collect details such as name, email address, mobile numbers, gender, marital status, date of birth, PAN Card details, Aadhaar Card details, residential address, shipping address, billing address, banking details, UPI details, KYC information (in case of Distributors and/or Collaborative Entities). Only our authorized marketing team and sales person shall/may contact you on the basis of the information collected by us for various schemes and offers as may be provided by us.

We may release your personal information to a third-party in order to comply with a Court Order or other similar legal procedure, or when we believe in good faith that such disclosure is necessary to comply with the law; prevent imminent physical harm or financial loss; or investigate or take action regarding illegal activities, suspected fraud, or violations of Our Terms of Use. We may disclose personally identifiable information to parties in compliance with our Copyright Policy as mentioned in the Terms of Use as we in our sole discretion believe

necessary or appropriate in connection with an investigation of fraud, intellectual property infringement, piracy, or other unlawful activity. In such events, We may disclose name, address, country, phone number, email address and company name.

#### **4. SECURITY AND CONFIDENTIALITY**

Your information is considered confidential and shall be treated as such. Once we have received your information, we use appropriate security measures to protect your data against loss, theft and unauthorized use, access or modification; although we do our best to protect your personal information, we cannot guarantee the security of your information transmitted through internet and/or email, any transmission is at your own risk. You further acknowledge that the Site may contain information that is designated confidential by us and you shall not disclose any relevant information without prior consent.

#### **5. POLICY UPDATES**

E-Biotorium Network Pvt. Ltd. reserves the right in our sole discretion, to make changes or modifications to these Privacy Policy at any time for security reasons.
